

We often say food on a (very restricted) budget, doesn't need to be boring. So here's our Sunday dinner at a cost of less than £4 to feed two humans and Buster the Dog!

Giant Yorkshire pudding ? Recipe here ? Total cost less than £1
Roast potatoes, red and green Cabbage and a couple of Carrots ? say £1
½ a small Chicken ? Exactly £1.06!
Chicken stock gravy ? say 25p

There is a well known Yorkshire Pudding Wrap business in York where you could pay £6.95 for a quarter of that in a paper wrapper. But you do get a fancy branded napkin!
