

Clearly you can buy Tatty Salad for next to nothing in a pot. But we?re not like that! During ?Lock-Down? we?re spending more and more time in the kitchen, it occupies our time and we?re not couching in front of the TV all day.

Ingredients:-

Potatoes pealed quartered, boiled and drained
Mayo
Pickled Gherkins, finely chopped
Spring Onion
Squeeze of Lemon
Black Pepper
Fresh home grown Chives to dress

Method:-

(1) Let you Potatoes cool to room temperature.
(2) Mix all the dressing ingredients.
(3) Dress the Potatoes.
(4) Sprinkle with chopped Chives.
(5) Enjoy as a side.

The Gherkins and Lemon juice really lift a plain old Tatty salad to a different level and made it well worth tinkering with.
