

Why would anybody even think of making their own Tomato Sauce? Because we can and it's good to know what's in these things!!!!

Ingredients:-

175g Tomato Puree
½ Tsp Onion Powder
120ml of Boiling Water
2 Tbsp of Brown Sugar
½ Tsp Cinnamon
A Pinch of ground cloves
A Pinch of Allspice
½ Tsp of Mustard Powder
½ Tsp of Salt & Pepper
3 Tbsp of White Wine Vinegar

Method:-

- (1) Put the Tomato Puree in a bowl.
- (2) Add all the other ingredients to the boiling water mix well.
- (3) Add to the Tomato Puree and whisk.

Like everything else, it tastes much better if you've made it yourself.....
